Sir/Madam,

I would like to draw your attention to letter dated 17<sup>th</sup> July, 2017 (copy enclosed) received from Dr. Arvind C. Ranade, Scientist 'E', National Convener, Vigyan Prasar, A-50, Institutional Area, Sector-62, Noida (UP), wherein he has informed that Vigyan Prasar (a national institute for science & technology communication established under Department of Science & Technology, Govt. of India), in association with NCERT and Vijnana Bharti, a NGO led by eminent scientists, are conducting Vidyarthi Vigyan Manthan (National Science Talent Search for New India) for classes 6<sup>th</sup> to 11<sup>th</sup>.

The details for participation are given in the enclosed letter. However, you can also refer their website [vvm.org.in](http://vvm.org.in) for further clarification in this regard.

I strongly believe that this programme will help in instilling and engendering the interest of the students in pure science.

Yours sincerely,
