Subject: **Vidyarthi Vigyan Manthan Contest – reg.**

Sir / Madam,

As you are aware 11 students from JNV System could reach up to National Level Contest organised by Vgyan Prasar. The awardees were also specially recognized by the Hon'ble HRM. It is expected that some students will be able to get placement in awards during this year.

The contest for the year 2017 has already been announced and is available at website [www.vvm.org.in](http://www.vvm.org.in). As observed, the participation in the last year has been very minimal. It is advised that every JNV shall participate and feed at least 40 students invariably during this year. Registration has already been kept open and last date being 20<sup>th</sup> September 2017. It is requested not to wait till the last date. The Coordinator for this program Vigyan Bharati and Vigyan Prasar are working out the provision to register with the telephone number of one or two teachers of Navodaya Vidyalaya, as the registration is linked to mobile numbers. In addition the current **contest is going to be online** for which the Vidyalaya shall provide necessary IT infrastructure as required by Vigyan Prasar. Since STPI is providing the software back up the process is likely to be smooth. Books and reading material are already available online on the portals of Vigyan Prasar which shall be made use by the Vidyalaya, from now onwards to train the children effectively. The Vice Principal shall be made responsible for coordinating this activity with the team of Science Teachers. If the school does not have the Vice Principal in JNV, Principal shall take the personal interest in this and keep the Regional Office in touch regularly.

In the light of the above, it is requested to advice the Vidyalayas to take interest in training the students for effective participation of the students in the said contest.

Copy of this mail is being sent to all ACs with the hope that each of the officers will take steps to inform the Principals without fail at their level as well.
