Sub: **Vidhyarthi Vigyan Manthan (VVM) 2021-22 - Reg**

Sir/Madam,

VVM-National Talent Search examination is an initiative of Vigyan Bharati in collaboration with Vigyan Prasar, DST, Govt. of India and NCERT. It is a programme aimed at popularizing Science among students of class VI to XI conceptualized to identify bright minds with a Scientific aptitude from the students community. VVM exam was conducted through online open book examination system due to COVID19 pandemic across the nation in the year 2020-21.

VVM 2021-22 this year again will be online open-book science talent search examination designed to be carried out using digital devices. Participating students can appear for the exam by using their own device like Smartphone, Laptop/ Desktop etc. from their home. The exam consists of four levels. The examination will be conducted separately for junior group (class 6-8) and for senior group (class 9-11). The winners at School level, District level, and State level will be given participation certificate/merit certificate. The top three National winners will be given memento and cash prize too.

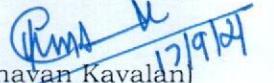

Moreover, this year VVM is coming up with **Bhaskara Scholarship** for Himalayans (18 students) and **SRIJAN (Internship-cum-Extensive Training Program)** for all national level winners (90 students). We will continue with Mega Nation-Wide Experiment this year as well. As you are aware, it is an experiment based on the food habits of students, the nutritional value of the consumed food, and its environmental impact. The objectives of this mega experiment are to teach observational skills, a scientific mindset, and analytical thinking among our students.

Kindly ensure participation of 5-10 prospective students from each class (VI to XI) to participate in VVM 2021-22. The fee of Rs.80/- per child may be paid from JNV. As it is a prestigious National Level Science Talent Examination, Science teachers may be instructed to give guidance for VVM and encourage the students to participate and perform well.

JNVs may appoint a coordinator teacher for coordinating VVM activities. The **participating students will be registered in bulk registration mode at school level** (refer VVM brochure page no.-8).

A revised letter regarding fee and VVM brochure 2021-22 is attached herewith.

Yours faithfully,

(Raghavan Kavalan)
Deputy Commissioner (Acad.)
