The Y20 is aimed at enabling young people to express their visions and ideas to the Heads of State and Government of the G20. It is an inclusive discussion platform, from which a series of agreed recommendations related to the G20 agenda are compiled into a joint communiqué.

This year's Y20 Summit will take place in August 2023, in Varanasi, India, and the official organizing entity is **Y20 India**. The **Y20 India Summit in 2023** would be a valuable opportunity for the global youth to reflect on the five main areas and suggest policy recommendations for consultations with the G20 member states. The five main themes of 2023 Y20 are:

- 1) Future of Work: Industry 4.0, Innovation & 21st Century Skills
- 2) Climate Change and Disaster Risk Reduction: Making Sustainability a Way of Life
- 3) Shared Future: Youth in Democracy and Governance
- 4) Peace building and Reconciliation: Ushering in an Era of No War
- 5) Health, Wellbeing, and Sports: Agenda for Youth

**Out of these, we have chosen the following four themes for the students -**

- i) Climate Change and Disaster Risk Reduction: Making Sustainability a Way of Life
- ii) Shared Future: Youth in Democracy and Governance
- iii) Peace building and Reconciliation: Ushering in an Era of No War
- iv) Health, Wellbeing, and Sports: Agenda for Youth

**Instructions to the students:**

1. Read and understand about the theme suggested above in advance.
2. Find out what steps have been taken or are being taken by India to achieve these themes.
3. What are or can be your contribution/suggestions towards achieving these themes?
4. Each student must make a mind map on the topic she/he gets. She/he will be evaluated on following points -
